Dear Friends,

I thank you very much for your letter. I admire your deliberations toward us. I am a member of the house of Representatives of Japan and working as the secretary of the Dietmen's Forum on East Timor. I am writing this letter on behalf of our Forum.

We are fully aware of your difficult situation in Jakarta. Recently a Japanese newspaper, YOMIURI, reported your case in detail. The circulation of this paper is so large. Now a considerable number of Japanese people have become aware that you want to leave indonesia urgently.

We are very glad to inform you that not only the people in Japan but also great many people all over the world are observing everyday how your case is to be dealt with by the authorities. The Japanese Dietmen's Forum is seeking solution. Please put your confidence in the utmost and sincere endeavour of all those who are willing to concern themselves with your case and take care of your own health first.

Looking forward to seeing you in the ealiest future.

Sincerely Yours
Satsuki Eda
